Professional Hockey and Skating Instruction by the staff of the New Jersey Devils Youth Hockey Club

## About the New Jersey Devils Youth Hockey Club

There is no better place to play hockey than with the NJ Devils. We have the best youth coaches in the Northeast! Supervised by Coaching and Program Director John DiNorcia and Level Coordinators Adam Diglio and Steve Riley, our professional coaching staff has an impressive record. Our coaches have laced up skates with Division I Colleges, ECHL, UHL and European professional teams. They also have a remarkable number of coaching accomplishments, including USA Hockey National Gold, Silver and Bronze Medals; USA Hockey Junior Olympic Festival Gold, Silver and Bronze Medals; A Silver Sticks International Championship; and an International Quebec Peewee Tournament Championship! That is a list you won't find anywhere else!

All of our House Leagues and Clinics are supervised by USA Hockey certified coaches, so they have the training and experience they need to ensure the players' safety while providing them with a supportive environment where they can learn the fundamentals of ice hockey, develop their skills, and just have a good time. The quality of our coaches is most evident in the accomplishments of our players. Devils Youth Alumni can be found in the USA Hockey National Team Development Program, in most New England Preparatory Schools, in Ivy League Colleges, in other NCAA and ACHA Colleges, and on Minor League Professional Teams.
